2-Day Workshop on
"ENERGY EFFICIENCY IN ELECTRICAL UTILITIES"
On 17-18 March, 2017 at Visakhapatnam

In Association with
International Copper Association - India

Conducted by
ANDHRA PRADESH PRODUCTIVITY COUNCIL
"Productivity House", Plot No.87, Road No.2
Banjara Hills, Hyderabad - 500 033
Ph.No. 040 - 2354 2827 / 2354 0289
Email: training.appchyd@gmail.com

INTRODUCTION |

Energy Conservation has been a global matter of concern for several decades. However in India, after brief lull post liberalization, Indian Industries has just about been able to match the best in the world, the sudden spurt in the energy cost either through international market influence or through internal factor, threatens these industries in sustaining competitiveness. To overcome these hardships, the Indian Industries are charting out several cost cutting ways including reducing the energy cost of the component. Thus electrical Energy Conservation provides a great scope for cost cutting measures.

This two days workshop by APPC on "Energy Efficiency in Electrical Utilities" intends to focus on the variant approaches available for conservation of energy on different equipments/ utilities.

OBJECTIVE |

- Create awareness among decision makers towards the need of electrical energy conservation
- Disseminate information on various approaches towards electrical energy conservation
- To meet PAT Targets
- Identifying policy areas which require further strengthening
- Enhance awareness on innovative technologies
- Success stories for wider replication

COVERAGE |

- Energy Conservation in:
 - Refrigeration
 - Air Conditioning
 - Fans
 - Lighting Systems
 - Air Compressors
 - Pumping Systems
 - Cooling Towers
 - DG sets
 - Motors
- Best practices for energy conservation in Ref & Air conditioning
- Energy Audit of Electrical systems

BENEFITS TO PARTICIPANTS

- Awareness generation on latest Energy conservation technologies and concepts
- Opportunity to discuss cost cutting technologies with energy experts

SPEAKERS

Eminent and experienced speakers from reputed organizations, Industrial process experts and specialists

TARGET AUDIENCE

This program is beneficial to all Executives from Industry, Chemical, Refineries, Automobiles, Glass & Ceramics, Power Plants, Cement, Engineering, Dairy, Sugar, Pharma, Pulp & Paper, Textile, Iron & Steel, Hotels, Hospitals and Buildings, Municipalities, Domestic Sector, Malls, Energy Auditors / Managers, Utility managers, State Designated Agencies under BEE, Energy Efficient Equipment Manufacturers, ESCO's etc.

PARTICIPATION FEE

The participation fee for two day workshop (non-residential) will be Rs. 7,500/- plus service tax (15%) per participant. Fee includes course Material, Working Lunch, Refreshments, etc.

Note: Avail 10% discount for 3 or more participants from same organization. The fee should be remitted in advance. No refund made for cancellation. However replacements are allowed.

NOMINATIONS

You may kindly send your nominations along with a crossed DD/ Cheque favour of **“Andhra Pradesh Productivity Council”**, payable at **Hyderabad**.

VENUE

Hotel Budhil Park,
Dwaraka Nagar,
Visakhapatnam,
Ph: 0891 666 1666

ABOUT APPC:

A.P. Productivity Council is an autonomous, tripartite non-profit making registered society, set up in the year 1958 by the Government of Andhra Pradesh. The Council renders services towards promoting and propagating productivity, efficiency and effectiveness in all spheres of life. Based on its performance over five decades, the Council was adjudged as “The Best Productivity Council” in the country and awarded “Life Time Recognition” for contributing towards productivity movement in the country.

HUMAN RESOURCE DEVELOPMENT:

We offer tailor made In-House Training Programmes for industries for different levels and also organizes workshops, seminars, conventions and HR Consultancy. The Council offers the following In-house Training Programmes.

- Executive Development Programmes
- Supervisory Development Programmes
- Employee Development Programmes
- Trade Union Development Programmes
- Other Functional & Technical Programmes

▪ **OUR OTHER SERVICES:**

- Techno Management Consultancy
- Energy Conservation & Audit
- Career Development Courses
- Government Programmes
- Rural Development

2-Day Non-Residential Workshop on Energy Efficiency in Electrical Utilities

On 17-18 March, 2017 @ Visakhapatnam

Conducted by

Andhra Pradesh Productivity Council
In Association with International Copper Association - India

Registration Form

We are pleased to nominate the following participant(s) for the conference:-

S.No	Name	Designation	Email	Mobile No.	Signature
1					
2					
3					
4					
5					

The DD/Cheque No. _____ for Rs _____ towards the delegate fee drawn in favour of **Andhra Pradesh Productivity Council**, payable at **Hyderabad** is enclosed.

Nominated by _____

Designation: _____

Organization: _____

Address: _____

City: _____ Pin: _____

Email: _____

Tel: _____ Mobile: _____

Event & Delegate Fee Details

Event	Dates	Venue	Type	Fee
2-Day Workshop on Energy Efficiency in Electrical Utilities	17-18 March, 2017	Hotel Budhil Park, Visakhapatnam	Non - Residential	Rs 7500 + Service Tax (15%)

10 % discount will be given for three and more than three nominations.
